NHS England Safeguarding app

The NHS Safeguarding app continues to support frontline staff and citizens with 24-hour, mobile access to up to date safeguarding guidance and local contacts to report safeguarding concerns.

It is accessed by over 300 users daily and has had over 61,000 downloads.

It provides an overview of necessary legislation and guidance covering both children and adults safeguarding as well as an NHS staff guide and contains regional contact information on how to report a safeguarding concern, as well as links to national bodies and for healthcare staff to have a one stop sign posting and safeguarding information.

It can be accessed via [Apple iOS \(https://itunes.apple.com/gb/app/nhs-safeguarding-guide/id1112091419\)](https://itunes.apple.com/gb/app/nhs-safeguarding-guide/id1112091419), [Google Play \(https://play.google.com/store/apps/details?id=com.antbits.nhsSafeguardingGuide&hl=en_GB\)](https://play.google.com/store/apps/details?id=com.antbits.nhsSafeguardingGuide&hl=en_GB) or it can be downloaded by visiting your device's appropriate app store and searching for 'NHS Safeguarding'.

If you have any questions or amendments that need to be noted on the NHS Safeguarding App please the Safeguarding Team: england.safeguarding@nhs.net (<mailto:england.safeguarding@nhs.net>).
